

ChiliProject - Bug # 1132: Spent time details/report view missing new default/jquery calendar

Status:	Open	Priority:	Normal
Author:	Tom Rochette	Category:	Time entries
Created:	2012-09-01	Assignee:	
Updated:	2012-09-01	Due date:	
Remote issue URL:			
Affected version:	3.3.0		
Description:	In the spent time details/report page, in the date range section, the date pickers do not use the recently implemented/replaced calendar code that uses the browser's native calendar or jquery pop-over calendar. Observed: cannot pick a date using the calendar icon near the fields. Expected: Browser's native calendar or jquery calendar.
