

ChiliProject - Feature # 1291: Add a filter to display issues assigned to Locked users

Status:	Open	Priority:	Normal
Author:	Rolando Valdivia	Category:	Issue tracking
Created:	2013-07-29	Assignee:	
Updated:	2013-07-29	Due date:	
Remote issue URL:			
Affected version:			
Description:	I can list the jobs assigned to Locked users selecting "Assignee Is Not (Select all active users)", but that will include unassigned issues.		
	It would be great to have the option to list jobs assigned to locked users to reassign those issues.
