ChiliProject - Bug # 538: Wiki page Themes Broken link

Status:	Open	**Priority:**	Normal
Author:	Daniele Segato	**Category:**	chiliproject.org Website
Created:	2011-07-26	**Assignee:**	
Updated:	2011-07-29	**Due date:**	

Remote issue URL:	
Affected version:	
Description:	The two link on this page give a 404 not found if not logged in:
	https://www.chiliproject.org/projects/chiliproject/wiki/Themes
	pages are missing from the wiki:
	https://www.chiliproject.org/projects/chiliproject/wiki/Theme_List
	https://www.chiliproject.org/projects/chiliproject/wiki/HowTo_create_a_theme
	Probably something left broken from the fork?
