

ChiliProject - Feature # 880: Tasks bulk import

Status:	Open	Priority:	Normal
Author:	Damien Brugne	Category:	
Created:	2012-02-13	Assignee:	
Updated:	2012-02-13	Due date:	
Remote issue URL:			
Affected version:			
Description:	Request a feature to import tasks from a csv or another flavour of flat file.		
	Import should be done in a specific project and for a specific milestones.		
	Useful when setting up a new project to create all the developpment tasks.
